

PHILANTHROPIC FUND

Annual giving the no-fuss, no-fees way.

AUGUST 2017

It's easy to support United Way and all your favorite nonprofits with one simple decision. Choose United Way's Philanthropic Fund and we'll put your annual giving plan in motion.

HOW IT WORKS

Commit to your annual Champion-level gift to United Way of King County, and include other nonprofits you wish to support from your Philanthropic Fund. Simply designate your charities and United Way will handle the transactions—free of charge.

What the Philanthropic Fund brings to your annual giving:

Convenience. One check writes all the others. It's that easy.

Recognition. You'll be recognized as Champion—a member of the United Way of King County Champions.

An immediate tax deduction. You'll get a tax receipt once you donate to the fund—even if we send your gifts later.*

No fees. When you're a Champion, Philanthropic Fund services are free.

Ways to give through the Fund:

Which nonprofits do you want to support?

Give us your list—and we'll take care of the rest. You can even choose the dates we send funds.

Not sure? No problem.

We'll hold funds until you're ready. If you like, your donor relations manager can recommend charitable organizations aligned with your interests and passions.

Use your fund as a charitable checkbook. When someone asks for a contribution, just list "United Way of King County Philanthropic Fund" as your method of payment. Done!

For additional information, please contact your Donor Relations Manager, or Christy Cheever at ccheever@uwkc.org or (206) 461-8367.

*We play by IRS rules. Your receipt will reflect the total dollars donated to the Philanthropic Fund. So, if charitable contributions will include goods in return, you must use a different method of payment. See your Donor Relations Manager for details.
