

United Way of King County

EMPLOYEE ENGAGEMENT THAT MATTERS

Everyone deserves a safe place to call home, enough to eat, and the resources they need to thrive. When your company partners with United Way, you join others in creating community-centered change.

Each week, we distribute over **\$1 million** in rental assistance to help people stay safely in their homes.

More than **5,000 families** receive groceries on their doorstep each week to help make sure they have enough to eat.

Benefits Hubs on community college campuses throughout King County help **15,000 students** meet their basic needs so they can thrive and succeed in school.

United Way is working side by side with communities to build an equitable future for everyone. We need companies (like yours) to join us.

When it comes to getting your employees engaged, it's not one-size-fits-all. Pick a few options so that every employee can find a way that works for them.

United Way is your trusted partner for community engagement. Let's work together to get your company involved!

WAYS TO SUPPORT THE COMMUNITY

- **INVEST IN THE WORK** Lead by supporting our community's most critical issues. Whether you want to invest in an issue or a specific program, your dollars can make the biggest impact.
- **HOST A LUNCH-AND-LEARN** Sometimes employees want to learn more and only have their lunch hour to spare. We'll come to you and share a variety of ways that your employees can get involved on the spot.
- **SPONSOR AN EVENT** Leverage your company's dollars to get your employees and the broader community involved.
- **ROLL UP YOUR SLEEVES** Host a volunteer project for your team to get out of the office and into the community.
- **SUPPORT YOUR EMPLOYEES' EFFORTS** Employees can participate in peer-to-peer fundraisers and your company can support those efforts with matching dollars, fun rewards, competitions, and more.
- **DO SOMETHING UNIQUE** Maybe your employees are passionate pickleball players, or maybe the office loves their crocheting. Whatever it is, turn those unique passions into support for the community by hosting an event to raise funds by doing what employees love most.
- **RALLY YOUR COWORKERS** Lead a workplace giving campaign and see how much good the combined contributions from everyone you work with can do.
- **DO SOMETHING NEW** Got a different idea? We're game. Let's try something we've never done before.

Partnering with United Way means making the most out of your time and investments. Reach out to **James Modie** at **206.461.4515** or **jmodie@uwkc.org** to get started today!

Join us in ensuring everyone has access to resources, quality education, enough to eat, and a safe place to call home.
