

UNITED IS THE WAY™

we help students access educational opportunity.

QUALITY EDUCATION

Education is a gateway out of poverty, but the odds are often stacked against students—especially students of color—from the start. We believe that income, ZIP code, and race shouldn't influence success in school. Together, we are working to break down barriers for thousands of young people.

United Way works to improve the educational experience and outcomes for our region's young people.

SPOTLIGHT: Blake Nordstrom Scholarship

United Way of King County and Nordstrom partnered to honor the department store's late vice president and community leader Blake Nordstrom with a multi-year, basic-needs scholarship, providing 20 students with \$5,000 each annually.
