

WHY UNITED WAY?

It's a question we love to answer. There are countless organizations doing incredible work across our region, and we're proud to work alongside them. United Way's role is to bring people, partners, and resources together to tackle our community's biggest challenges—creating solutions that no one organization could achieve alone.

Reasons to give

01

WE UNITE OUR COMMUNITY

We bring together more than 140 nonprofit partners, businesses, government agencies, and community leaders to address housing, food security, education, and financial stability.

02

YOUR GIFT WORKS WHERE YOU LIVE AND WORK

Your gift helps us respond to urgent needs today while investing in solutions that create lasting change for tomorrow. Your support builds a stronger King County.

03

YOU CAN GIVE WITH CONFIDENCE

We're committed to making every dollar count. United Way of King County is proud to earn Charity Navigator's highest rating for accountability and financial health, and on average, 97 cents of every dollar donated goes directly to our work.

04

THERE'S A PLACE FOR YOU

Whether you choose to give, volunteer, or advocate, there are many ways to make an impact!
