Asset Giving Guide

WHAT DOES UNITED WAY OF KING COUNTY DO?

We're building an equitable future so everyone can thrive.

Driven by the pursuit of a more equitable community, we work to meet more than just immediate housing and hunger needs; we're working side by side with communities to dismantle the systems that created these inequities in the first place.

By centering the voices and leadership of those most impacted, and building bold, trusted partnerships grounded in racial equity, we're not just helping our neighbors today—we're building a better, more equitable tomorrow.

HOW WE PUT YOUR ASSETS TO WORK:

United Way raises money for three internal funds while partnering with 140+ local nonprofits to create widespread change because we're stronger together.

OUR NEIGHBOR FUND focuses on basic needs: putting food on the table, keeping a roof over families' heads, and opening doors to educational opportunity for K-12 and college students.

THE EQUITY FUND invests in transforming deep-rooted, systemic, racial inequities. We cede decision making power to the leaders in organizations of color who know their communities best.

WAYS TO GIVE

When we live in community, giving benefits everybody.

With United Way, you have choices when it comes to creating generational change. From tax-deductible estate contributions to retirement distributions and other planned legacy gifts, discover what type of gift works best for you to achieve your philanthropic goals. Here are some options:

DONOR-ADVISED FUNDS

A [Donor-Advised Fund](#) (DAF) is like your own charitable savings account. You can contribute cash and non-cash assets and then recommend grants to nonprofits like ours, potentially earning immediate tax benefits.

STOCK

Own stock, mutual funds, or have stock options available through your employer? Make a gift with greater impact while enjoying a double tax advantage when you give to United Way via [stock](#).

IRA CHARITABLE ROLLOVER

Give from your [Individual Retirement Account](#) (IRA) through a Qualified Charitable Distribution. A Qualified Charitable Distribution (QCD) is a tax-efficient way for those 70 ½ or older to donate from their IRA, while also counting towards your annual Required Minimum Distribution.

LEGACY GIVING

Leaving a [legacy gift](#) to United Way through your will, living trust, beneficiary designation, or retirement account is a powerful way to make a lasting impact in your community. If you don't have a will yet, consider creating one with this free tool to help you plan for the future. By taking the time to craft this essential document now, you can have peace of mind for the future, protect your family, and create a brighter future for generations to come.

CRYPTO

[Cryptocurrencies](#) like Bitcoin, Ethereum and more can rapidly surge in value. Selling them for regular currency may trigger taxes. By donating appreciated crypto to United Way, you can avoid taxes and maximize impact, especially for those with substantial gains. Holding crypto for over a year may lead to federal tax deductions up to the full gift value.

LIVE UNITED, GIVE UNITED.
