## Quarterly Sponsorship

## **BACKGROUND**

Emerging Leaders 365 is United Way of King County's group of over 10,000 young professionals who are passionate about making a difference in our community. Each month, the group is out and about in the community—rolling up their sleeves at volunteering projects, building connections at issue-based networking events, and connecting with local leaders who care about philanthropy and giving back as much as they do. Despite COVID-19 we have continued getting together and have pivoted to successful virtual events. Emerging Leaders 365 donors know that their \$1/day contribution to United Way helps build a community where people have homes, students graduate and families are financially stable. These dollars are even more critical as COVID-19 continues and there is an increased need for food and rental assistance.
